MEMORANDUM OF UNDERSTANDING (MOU)

The Backcountry Horsemen, San Joaquin Sierra Unit is committed to partnering with the Sierra Resource Conservation District in order to achieve the following goals:

- Outreach to our local eastern Fresno County citizens and communities in order to promote a better understanding of the limitations and prudent utilization of our natural resources in recreational activities.
- Assist in promoting partnerships with local, state and federal agencies and institutions to achieve strategic working relationships and potential funding sources for programs to enhance our collective understanding of the limitations and prudent use of our natural resources.
- Work together along with other organizations and stakeholders in developing and promoting wise natural resource and land use policies to benefit our local mountain and foothill communities well into the future.
- Attend, as appropriate, each organizations meetings and activities in order to communicate and coordinate efforts to achieve the various goals stated above.

Both organizations are signatory to this MOU as evidenced below. MOU can be cancelled by either organization with 30 days notice to the respective Boards of Directors.
