

Blue Oak Management Field Day

We Invite You to Join Us for Presentations,
Interactive Monitoring Demonstration and Discussions on
Blue Oak Ecology and Management

Saturday - June 3rd, 2023

McKenzie Table Mountain Preserve
22477 Auberry Road, Clovis, CA 93619

Gates Open at 8:00 AM with a Start Time at 8:30 AM Sharp!

We welcome you to participate in a day of interaction with fellow Land Managers and Landowners to discuss Blue oak ecology and management in central California. University of California Cooperative Extension (UCCE), National Ecological Observatory Network (NEON) and Sierra Foothill Conservancy (SFC) will lead the group in discussing management and monitoring practices that can enhance Blue oaks and ecosystem processes. The results of a year-long Blue oak study will be presented, and participants will have the opportunity to participate in Blue oak monitoring methods. A free lunch will be provided followed by self-guided hiking on McKenzie Preserve.
